Quick Installation Guide

mi™

MICRO INNOVATIONS™

1

Connect the adapter to an available USB port on your computer. Follow any instructions that appear.

2

Found New Hardware Wizard

Welcome to the Found New Hardware Wizard

Windows will search for current and updated software by looking on your computer, on the hardware installation CD, or on the Windows Update Web site (with your permission).

Read our privacy policy

Can Windows connect to Windows Update to search for software?

○ Yes, this time only
○ Yes, now and every time I connect a device
○ No, not this time

Click Next to continue.

< Back   Next >   Cancel

Select "Yes, this time only" and click the Next button.

3

Found New Hardware Wizard

This wizard helps you install software for:

Generic Bluetooth Radio

If your hardware came with an installation CD or floppy disk, insert it now.

What do you want the wizard to do?

◉ Install the software automatically (Recommended)
○ Install from a list or specific location (Advanced)

Click Next to continue.

< Back   Next >   Cancel

Select "Install the software automatically" and click Next.

4
